Your Attitude is Showing

Using your personal interests, attitudes & beliefs to drive success!

Workshop Outcomes

- Identify which attitudes drive your life, actions and decisions
- Understand each attitude & how they interact with each other
- Recognize the passions & motivations that drive others
- Communicate by seeing the world through others' eyes.
- Improve your personal & professional relationships.

What Have Others' Said?

"By understanding my values, I was able to clearly communicate my needs & interests to my manager which improved our relationship 10-fold!!"

- J.M. Professional

"I now know how to delegate work to my team in a way that keeps them motivated and in turns improves our overall performance!"

- S.P. Manager

Description

We all face conflict and disagreements when our values and beliefs do not align with another individual or group. During Your Attitude is Showing, you will learn to recognize and interact with others who have different value and belief systems. The course includes a values assessment with report to give a more complete understanding of how your values impact your decisions and how to interact more easily with others. Once you learn to see the world from their perspective, you can improve communication, teamwork and results!

Outline

- Introduction: What does attitude have to do with it?
- Module 1: Impact of Attitudes, Values & Interests on your Success
- Module 2: Understanding Your Values and Attitudes & their Impact on your Home and Work Life
- Module 3: Recognizing Others' Values and Attitudes
- Module 4: Adapting Your Approach to Improve Performance

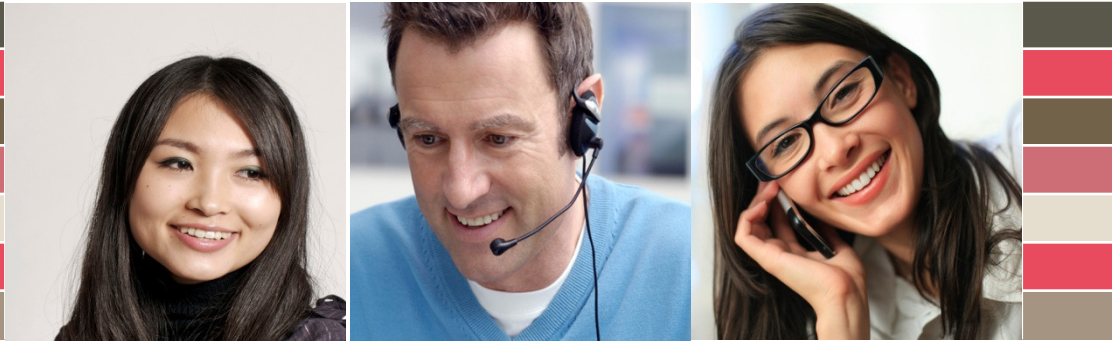

Audience

This course appeals to everyone who must interact with others, including: employees, managers, business professionals, sales, human resources, etc.

Facilitators

This program is delivered only by Certified Professional Values Analysts that have studied and demonstrated expertise in the Personal Interests, Attitudes and Values (PIAV) model of communication. They have a passion for this tool and have ample experience to help you apply it in your own settings.
